Dr. Benjamin D. Paragas, CESO III  
 Regional Director  
 Department Of Education-Region 2

Dear Director Paragas:

Our Science Mobile Exhibit aims to ignite curiosity and inspire young minds through interactive and immersive activities that make learning science a thrilling adventure. The exhibit provides students with hands-on experiences to enhance their understanding and appreciation of important scientific concepts. We humbly request your **advisory** for our co-curricular activities, including **Wandering Minds Space Dome Mobile Planetarium Experience**, **The Ultimate 3D Science Experience**, and our new offering, **Jurassic On Wheels and the World of AI**, following the policies and guidelines stipulated in DepEd Order No. 9, s. 2005, entitled "Instituting Measures to Increased Engaged Time-on-Task and Ensuring Compliance Therewith."

We are proud to announce that our mobile exhibit is the **first to offer AI education in mobile exhibits**, providing students with an innovative introduction to the world of artificial intelligence, discovering its fascinating history, effects, and its limitless potential.

All financial contributions to our Wandering Minds program will be purely voluntary. We are committed to providing accessible and interactive science education to all students, regardless of their financial capacity, and we assure you that we will not pressure or obligate any student or school to contribute financially to our activities.

## SY 2024-2025 EXHIBITS

### THE ULTIMATE 3D SCIENCE EXPERIENCE

**The Ultimate 3D Science Experience** is an innovative and comprehensive program that provides an immersive and engaging learning opportunity for students of all ages. With a Chroma Key Workshop, over 20 science manipulative exhibits, a 3D movie experience, a telescope lecture, and object viewing, students can explore the worlds of special effects, physics, biology, chemistry, astronomy, and more. Through hands-on experimentation and exploration, students can develop their critical thinking, problem-solving, and creativity skills.
