Dear Director Paragas,

The Pantawid Pamilyang Pilipino Program (4Ps) as human capital investment program is focused on supporting the educational needs of children from low-income families. As we seek to enhance the effectiveness of the program, it is essential to collaborate closely with stakeholders involved, particularly the Department of Education who are at the forefront of monitoring the compliance of the children beneficiaries to the education condition.

In particular, this meeting will focus on improving the education outcomes of vulnerable and marginalized children and youth through integrated programs and services.

In line with this, the office humbly invites you to a consultation meeting focused on the implementation of the Pantawid Pamilyang Pilipino Program (4Ps) on the following:

- July 18, 2024, 9:00 AM - Diocitas Hotel, Santiago City
- July 19, 2024, 9:00 AM - Highlander Hotel, Solano, Nueva Vizcaya

Please be informed that the office identified 174 schools in the region with a high number of enrolled 4Ps children beneficiaries to attend said meeting. Please see attached list of schools for reference.
