Dear Dr. Paragas:

Greetings of peace through St. Aloysius of Gonzaga!

May I respectfully request your kind assistance in disseminating information about an upcoming CPD Webinar titled **ACTION RESEARCH WRITESHOP** to be held on July 26-28, 2024, via Zoom. The theme of the webinar is **"Action Research: Basis for Problem-Solving and Decision Making Towards Quality Learning."**

This event aims to equip our educators with essential skills in action research, a vital tool for problem-solving and informed decision-making in the educational field. Given the increasing demands for innovative teaching strategies and continuous improvement in our educational practices, this webinar will be an invaluable opportunity for our teachers to enhance their professional skills.

Moreover, this webinar will provide CPD points, which are crucial for the renewal of professional licenses. As you are aware, accumulating CPD points is a significant requirement for our teachers, and providing accessible opportunities for them to earn these points is essential. By participating in this webinar, teachers will not only fulfill their CPD requirements but also gain practical knowledge and skills that can be directly applied to their teaching practices and research initiatives within their schools.

We believe that encouraging our teachers to engage in action research will foster a culture of continuous improvement and evidence-based practice in our schools. Research empowers educators to identify and address specific challenges, leading to more effective teaching strategies and improved student outcomes.

In light of the above, we kindly request your office to disseminate this information to all schools in the region. Your support in promoting this event will ensure that a significant number of our educators can benefit from this professional development opportunity.

Attached to this letter are the detailed program and registration information for the webinar. We are hopeful that with your endorsement, we can reach a wide audience and make a positive impact on the professional growth of our teachers.

Thank you very much for your attention and support. We look forward to your favorable response and to the active participation of our educators in this important event.

Sincerely,

**CRISANTO E. AVILA, MAEd, MDC, DCEd, EdD, PhD**
