The Council for the Restoration of Filipino Values (CRFV), a Civil Service Commission - Accredited Learning and Development Institution, continues its fervent dedication to fostering positive change through the Values Restoration Program (VRP). Following the resounding success of last year's VRP Capacity Building IX in Cebu, we are delighted to announce that **VRP Capacity Building X** is scheduled to take place on **October 22-25, 2024**, at the **Citystate Asturias Hotel, Puerto Princesa City, Palawan** for onsite participants, and **October 23-25, 2024** for our virtual attendees.

Embarking on the theme "**Positioned to Influence Through Values,**" this year's summit emphasizes the importance of internalizing values and transforming them into action. Participants will explore strategies to not just sustain change but to truly possess these values and make them a core part of their being.

In light of this, we extend a cordial invitation to you and **ALL** individuals who share a deep interest in driving positive change through the power of values. Below are the names of the VROs and values advocates from your agency:
