Office of the Regional Director  
Region No. II

Dear Sir:

Greetings!

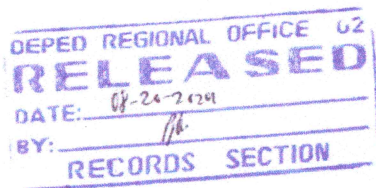

**TAP or Teatro Artistico Production** is an independent theater company originally based in the University of the Philippines Diliman in 2000. Our goal is not just to promote awareness on current social issues but to possibly help develop a drug free and safe society. A better way to achieve it is to present a contemporary **Anti-Drug Campaign** stage play to all the students. "ESCONDITE" ("HIDE OUT") is a drama love story about **illegal substance abuse** amongst youth and all of its illicit effects which will effectively impact the realization of preventive drug education. It also tackles issues on **Premarital Sex, Teenage Pregnancy and Abortion**. We highly encouraged your institution to take part as mandated by **Republic Act No. 9165** known as the "Comprehensive Dangerous Drug Act of 2002", **SECTION 43. School Curricula**. - Instruction on drug abuse prevention and control shall be integrated in the elementary, secondary and tertiary curricula of all public and private schools, whether general, technical, vocational or agro-industrial as well as in non-formal, informal and indigenous learning systems.

In view of this, may we request for your endorsement on this meaningful project. The ticket price is **PHP350.00** only. We will be having our tour from **September** until **December** of this year. The **Venue, Play Date(s)** and **Show Time** will be finalized by the production and the participating school. We are looking forward to this productive partnership. Thank you very much.

*We realized that we are living difficult times but history has proven that theater is an effective medium in expressing the realities of the time as well as uplifting the spirit.*

Sincerely,

*Ed Villano*  
Artistic Director
