The **Samahan ng mga Guro sa Intelektuwalisasyon ng Filipino (SAGIF)** of Naga City (Camarines Sur) will conduct an **International Webinar-Training** with the theme **"How Do We View the World: Understanding Social Constructs through Linguistics"** this **June 13-15, 2025 thru Zoom Meeting.**

This webinar-training aims the following objectives: (1) demonstrate understanding of linguistic realities through sociolinguistics, (2) examine the underlying meanings and effects of the new media on an individual's linguistic repertoire, (3) analyze linguistic asymmetries vis-à-vis gender as a social construct, (4) explore gender and sexuality through language, culture, and media, and (5) discuss contemporary language practices and language teaching in the classroom setting.

It has **CPD points** from the Professional Regulation Commission/PRC.

This Our organization humbly seeks your permission to encourage our fellow **English teachers in the basic education (elementary, JHS, SHS)** to be present in this significant event. **May we please request an advisory, announcement, and/or memo regarding our webinar in English?** It is one of the requirements for ranking and promotion as well. Furthermore, this is also needed to seek for a travel advisory.

We meekly ask for your positive response as we strive to promote quality education and, most importantly, strengthen the English language. For other concerns and questions, please do not hesitate to reach us on this number **09399042269** or please send us an email in **b_bical@yahoo.com**
