DR. BENJAMIN D. PARAGAS
Regional Director
Department of Education ROII
Carig, Tuguegarao City

Dear Dr. Paragas:

This refers to our letter dated August 1, 2024, on the ongoing **Project STAR Evaluation Study** in Region II that aims to determine the effectiveness of STAR trainings on the teaching practice of the participants and to provide information for the development and improvement of projects that will enhance teachers' ability in teaching science and mathematics.

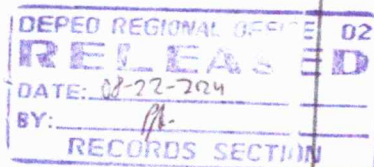

We would like to inform you of an additional procedure that we intend to conduct, which is supplementary to the activities requested in the previous letter. In the conduct of the evaluation activity, we seek to include a **face-to-face administration** of the **Project STAR Survey Questionnaire (PSSQ)** for the month of August, in addition to the current online data collection with the link <https://bit.ly/3X60MPQ>. Attached is the list of Science and Mathematics teachers who have participated in the STAR trainings from 2017 to 2023.

Our Research Assistant for Region II, **Mr. Mart Jasper Antonio** will coordinate with your office to follow up this request and communicate the exact dates of data collection for the abovementioned activities. Should there be concerns, he may be reached at his email address antoniomartiasper@gmail.com and mobile number 0956-972-3322 or at Project STAR's email address, projectstar@sei.dost.gov.ph.

Thank you for your attention to this request.

Very Truly Yours,

ENGR. ALBERT G. MARIÑO
Director III and Officer-In-Charge
