Greetings! **KnightVision Multimedia Production** is a film production and events management company specializing in educational films and feature films. We are grateful for your support over the past years. This marks our third year organizing this event in Region 2, and we look forward to another year of continued support.

We would like to ask for your support for an **Educational Film Showing Event- "SINE-ARALAN" Campus Tour** in your respectable school institutions. It will be open to all students. The film showing will take an overview and in depth look at art of storytelling, film appreciation and cinema. This is an anthology of short films that has received awards in various national film festivals.

Sine-Aralan is an educational film viewing with a variety of short films showcasing cultural awareness, moral values, character education and arts appreciation.

Proposed Date: This school year 2024- 2025

Proposed Venue: School Campus Gymnasium

The Production Company will also invite guest performers and indie artists to perform after the film showing.

We would like to raise awareness towards social issues through our film and focus on values formation. Film education can enable students to gain a better understanding of, and empathize with, the life experiences of individuals and communities far removed from their day-to-day reality. We are all about building community, connectivity and inclusiveness. And we want the youth to be part of that, by supporting our work we can inspire the youth to develop critical thinking, cultivate their passion, and take positive action into their lives and into society.

We have successfully organized our educational film showings in provinces of Region 2, Isabela State University Campuses and Nueva Vizcaya State University Campuses, Isabela Public and Private Schools, Quirino Province, Taguig City (NCR), Trece Martires Cavite, Midsayap North Cotabato, General Santos City, Koronadal City, Municipality of Tupi (South Cotabato), Municipality of Surallah (South Cotabato).

We look forward for your support in the marketing, ticket distribution and promotion of this film showing event. I hope this film showing event will benefit the members of your institution and people in your community especially the youth sector. We enclose herewith legal documents, permit from Regional DepEd Office and other School Division Offices from other cities/municipalities. We look forward and would be grateful for your favorable response. We wish you and your team continued success!

Kind Regards,

Through engaging and informative films, this tour exposes viewers to diverse subjects, from history to social issues, values formation and the arts. By igniting curiosity and sparking interest in various fields of knowledge, the tour contributes to the intellectual development of young minds.

Cultural Enrichment:

By instilling pride in one's cultural identity and heritage, the tour strengthens the fabric of Filipino communities and promotes unity amidst diversity.

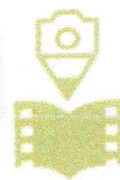

Community Building and Social Impact:

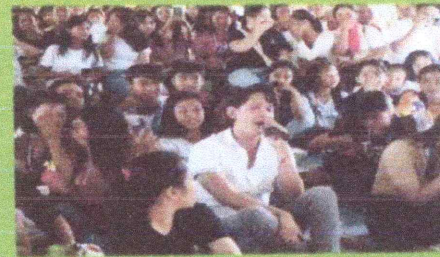

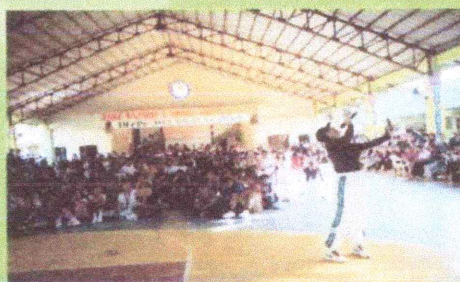

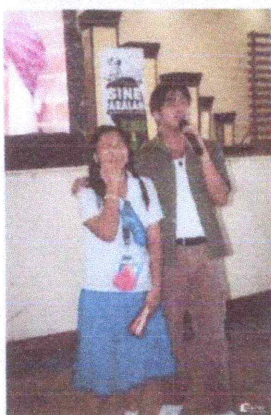

By bringing together youth, families, educators, and community members in a shared learning experience, the tour creates opportunities for collaboration, networking, and mutual support.
