Dear Director Paragas,

UP Circuit is an academic, non-profit, and non-political organization based in the Electrical and Electronics Engineering Institute (EEEI) of the University of the Philippines – Diliman. The organization aims to promote academic excellence in the field of Computer, Electrical, and Electronics and Communications Engineering that will encourage holistic development of its members through various activities within and outside the university.

With the tradition of promoting academic excellence, UP Circuit has been bringing together the country's top young minds in the field of Electrical and Electronics Engineering in a battle of wits and brilliance. **SquEEEze**, our flagship event, is the **only national intercollegiate Electrical and Electronics Engineering quiz show in the Philippines**. Now in its **27th** year, SquEEEze continues to bring a set of events that will engage more excitement and challenge for a wider audience. SquEEEze provides an exhilarating and holistic learning opportunity not only for college students but also for high school students from different regions across the country who are willing to compete and test their intellect against other schools. Along with the annual intercollegiate quiz show, highschool workshops will also be conducted. The said workshops will focus on circuit theory to familiarize participating high school students with the fundamental concepts of Electrical and Electronics Engineering, thus making them appreciate the field even more. Additionally, company talks by industry professionals will be held to provide students with insights into the practical applications of Electrical and Electronics Engineering.

With the success of last year's event, SquEEEze: The National EEE Competition and Convention will now be administered face-to-face and will be held on **January 25 for the High School Workshop and Quiz Bee** and will be held at the University of the Philippines Diliman.

In line with this, we would like to cordially ask for an endorsement from your office. This endorsement would greatly encourage students from different schools in participating in this campaign of academic excellence that our organization aims to impart. With the endorsement of the Department of Education - Region II, we are hoping for a greater chance to extend this campaign to the bright minds of many young students.

This endorsement would entail the following for DepEd:

- Inclusion of the DepEd logo in the publicity materials of SquEEEze
- Acknowledgement of DepEd during and after the events

Should you have any concerns or questions, feel free to contact the undersigned event's heads or the head of competition, **John V. Labrador (09193499517)**. A copy of the competition handbook will also be sent where you may find all the detailed mechanics for your reference.

Very truly yours,

John V. Labrador
Co-overall Head
