DIVISION OF NUEVA VIZCAYA

Dear Dr. Paragas,

Greetings from the Philippine Space Agency!

We are excited to inform you about an opportunity for Filipino students to participate in the Kibo Asian Try Zero-G (ATZG) 2025. This competition, organized by the Japan Aerospace Exploration Agency (JAXA) in collaboration with PhilSA, allows students to propose experiments to be performed in a zero-gravity environment aboard the Kibo module of the International Space Station (ISS).

The competition is open to students enrolled in Philippine institutions up to the postgraduate level. Participants can join individually or in teams. Selected winners will have their experiments conducted by a JAXA astronaut and will also get a chance to visit the Tsukuba Space Center in Japan to witness the live demonstration and meet astronauts.

The deadline for submission is on **3 January 2025**.

Interested students may submit their proposals through [this link](#).

To learn more, kindly refer to the following resources:

1. [Guidelines](#)
2. [Videos of past experiments](#)
3. [Available items](#)
4. [Proposal form](#)
5. [Proposal form sample](#)
