TARA NA! SAMAHAN NIYO KAMING GAWING POSIBLE ANG NASIMULANG PANGARAP!

Dear Ma'am/Sir,

We hope this letter finds you and your team well.

For over seven decades, PHINMA AU has made Novo Ecijanos' dreams possible. With over 75,000 graduates, 5,300 professionals licensed since 2004 — PHINMA AU has remained steadfast to its mission of giving quality and affordable education to students. As we start another school year, our promise to our partners — *#GawingPosible*, will continue to serve the students, families, and communities of Nueva Ecija.

Part of our continued mission this year is to offer **FREE Senior High School** program for incoming G11 students from public schools, and the **Hawak Kamay (HK) Scholarship** program for students who want to go to college. This year, we introduced HK5.5 — the biggest Hawak Kamay Scholarship for students who wish to take Education and Business programs. We continue to partner and collaborate through school partnerships, community efforts, local government, NGOs, and education leaders like you — to better cascade our mission to all Novo Ecijano students.

- *Special Priority for Hawak Kamay Scholarship*
- *Career Guidance*
- *Exclusive invitation to program-focused activities and events*

With this, we wish and would like to seek approval from your good office to conduct our Hawak Kamay Scholarship for all Grade 12 students in selected schools under your division for the upcoming SY25-26 on **January 22, 23 & 24, 2025**. As our longtime partner, these schools are our top priority in offering scholarships & perks. (Attached list of schools)

We believe the School Division Office's mission is always in line with our mission of making lives better through education, making dreams possible by providing quality & accessible education across the province—especially to families and students who need it the most.

Thank you so much & God bless!

Sincerely,
