1. In line with DepEd Memorandum No. 002, s. 2025, titled "Learning Sessions to Support Schools for Improved Learning Outcomes," this office is pleased to announce the List of Learning Session Facilitators in English, Science, and Mathematics.
2. The facilitators will be deployed to the three sampled schools to conduct learning sessions to enhance instructional practices and improve learning outcomes. This initiative will be implemented from January to March 2025 as part of the department's efforts for the PISA 2025 Main Survey.
3. The learning sessions will run for eight weeks, consisting of 24 sessions in total, with three sessions conducted each week. Each learning area will have one session per week, equivalent to one hour of teaching per session.
4. The list of Learning Session Facilitators and their corresponding school assignments is attached. The timeline of activities per session in the schools will be communicated through the EPS Stewards in partnership with the School Head of the PISA sampled schools.
5. School heads should take the lead in developing initiatives along with the delivery of learning sessions in English, Science, and Mathematics that support teachers and learners from Monday to Thursday and every Friday for the ESM Learning Session Facilitators to support the learning sessions.
6. To ensure compliance with the policy on "Zero Disruption of Classes," learning facilitators are requested to prepare their Instructional Plans before the approval of their travel authority to the schools assigned to them.
7. The learning session facilitators' and division monitoring team travel and other incidental expenses shall be charged to the school MOOE, local, or division PISA program support fund, subject to the usual accounting and auditing rules and regulations.
