27 February 2025

Orlando E. Manuel
Schools Division Superintendent
Department of Education – Schools Division of SDO Nueva Vizcaya

Dear Mr. Manuel

Love and light!

I am Jowella Belleza, representing AHA! Learning Center, a non-profit organization which specializes in giving the least in life the best in education through its **Empathy-Informed Learning System (EILS)**. Our organization is currently supported by the Department of Education Philippines through a formal agreement made in the past year, October of 2024. This has provided us the ease to scale AHA's EILS system throughout the country in the next three years.

Our organization has been actively involved in training public school teachers in different parts of the Philippines with our Empathy-Informed Learning System. Over the years, AHA Learning Center has been trying to address foundational skill gap specifically in literacy and numeracy by bringing Teaching at the Right Level (TaRL), an evidence-based and play-based educational approach that helps children develop basic reading and mathematics skills in only 50-60 days, to its partner school communities. We have trained over 200,000 teachers and parents and have reached at least 11,000 students (in our pilot communities in NCR, Bicol Region, and the Zamboanga Peninsula) who have gone through and finished the program with positive results.

We envision a **potential partnership** where our combined resources and expertise can create a robust framework for educational empowerment in the region. This could include:

- **Teacher Training Programs for Academics and Socio-emotional Learning:** Enhancing the skills and methodologies of educators to improve the quality of education.
- **Community Engagement for Public School Teachers and Parents:** Involving local communities in the educational process to ensure sustainability and relevance of the initiatives.

We hope that through this partnership, we can make significant strides in improving the quality of education and supporting both teachers and students under the Division of **Nueva Vizcaya**. In

line with this, we kindly request an **exploratory meeting** on **March 06, 2025** to discuss the programs as well as the terms and conditions of our potential partnership. If you are amenable to this schedule, please confirm by replying to our email. We could arrange for an online meeting or a F2F meeting in your office, whichever is more convenient for you.

We look forward to your positive response and hope to collaborate closely with your office to ensure that our students receive the education that they deserve. For further details or to confirm participation, please feel free to contact us through the following channels:

 Contact Number: 0917-636-9163

Maraming salamat!
Tayo ang pagbabago ating hinihintay.

Yours sincerely,

Jowella Marie Belleza
 Training and Development Head, AHA! Learning Center
