**Subject:** 2nd Philippine Nuclear Science Olympiad: Request for Dissemination

Dear Mr. Benjamin D. Paragas:

Greetings!

The Department of Science and Technology - Philippine Nuclear Research Institute is pleased to announce the conduct of the 2nd Philippine Nuclear Science Olympiad (PNSO) which will be held on **April 3, 2025**. The competition will serve as preparation of the Philippine team who will compete in the 2nd International Nuclear Science Olympiad in Malaysia this August 2025.

The PNSO aims to increase the reach of its selection of the Philippine Team to students all over the country. The plan is to conduct the examinations simultaneously in four different sites in Luzon, Visayas, Mindanao and NCR.

To help achieve this, the PNRI will be partnering with the DOST Philippine Science High School; DOST Regional Offices III, VII, and X; DOST-Science Education Institute; and the Department of Education. The proposed exam venues are from the DOST family namely: the DOST-PNRI, and PSHS campuses in Central Luzon, Central Visayas, and Central Mindanao.

In line with this, may we ask your good office to help us disseminate the invitation for students to participate in the 2nd PNSO to maximize the participation of both public and private secondary schools in the country. We are attaching herewith the PNSO guidelines for your perusal [PNSO 2025](#). For more information, please contact Ms. Kristine Marie Dean or Ms. Framelia Anonas at telephone nos.: 8929-6019 loc. 300/286, or through email: [kmdromallosa@pnri.dost.gov.ph](mailto:kmdromallosa@pnri.dost.gov.ph) and [fvanonas@pnri.dost.gov.ph](mailto:fvanonas@pnri.dost.gov.ph).

Thank you very much for your continued support and partnership in providing an avenue to develop awareness and appreciation of the nuclear S&T among our young students.

Best regards,

## 2025 PNSO Organizing Committee
