DIVISION MEMORANDUM
No. 183, s. 2025

**REMINDERS DURING THE CONDUCT OF THE END-OF-SCHOOLYEAR (EOSY)
RITES AMID THE INCREASING TEMPERATURES AND
EXTREME HEAT CONDITIONS**

To: Assistant Schools Division Superintendent
Chief, School Governance and Operations Division
Chief, Curriculum Implementation Division
Public Schools District Supervisors/District In-Charge
Public and Private Elementary and Secondary School Heads
All others concerned

1. Considering the rising temperatures and extreme heat conditions, it is imperative for all schools to implement proactive measures to safeguard the health and well-being of personnel, learners, and their families during the conduct of end-of-school-year rites.
2. While the scheduled End-of-Schoolyear (EOSY) activities will proceed as planned, the Division Office strongly encourages everyone to take the necessary precautions to prevent heat-related illnesses. The following measures are recommended:
 - a. Start activities earlier in the day, ideally before the peak heat hours between 11:00 AM and 3:00 PM.
 - b. Ensure availability of First Aid/Medical Kit in the event venue.
 - c. Provide an adequate supply of potable drinking water to keep participants well-hydrated throughout the activity.
 - d. Maintain proper ventilation in the venue by installing electric fans or, where feasible, using air-conditioned spaces to ensure a comfortable environment.
 - e. Advise participants to bring their own water tumblers and encourage regular hydration during the event.
 - f. School Heads, through their respective School DRRM Coordinators, are advised to coordinate closely with the Local DRRM Offices and/or the Municipal Health Office for any emergency concerns.
3. For widest dissemination, guidance and appropriate action.
