Department of Education - Region 02  
Regional Government Center  
Carig Sur, Tuguegarao City, Cagayan

Dear Sir:

Greetings from the Isabela State University - City of Ilagan Campus!

The Isabela State University - Ilagan Cluster will be hosting the 1<sup>st</sup> International Conference on Sustainable Solutions in Engineering, Health, Education, and Technology on September 17-19, 2025 at ISU-Ilagan New CEAT Building. The conference aims to address global sustainability challenges and issues that seeks to identify a creative and multidisciplinary approach. The conference will provide scholars, practitioners, and specialists from a variety of fields a chance to work together and exchange ideas and expertise about solving problems that combine scientific research, engineering, healthcare, and technology developments.

In this regard, we humbly request that your office become one of our sponsoring and partner agencies in the education sector for the upcoming event. We believe that your esteemed office and organization will be a valuable partner inspiring our researchers to become more competitive scientists and innovators. This could lead to the development and formulation of researches aligned with their respective fields of specialization.

We also humbly invite your Research Coordinators from various divisions, as well as Faculty Researchers, to participate and present their research at the upcoming event. They may complete the pre-registration form available on the conference website to reserve their slots. Please visit the conference website below:
