DR. BENJAMIN D. PARAGAS
Regional Director
Department of Education
Region II

Dear Sir,

We hope this letter finds you in good health and high spirits.

We are from I-Experience, the **Premier and Most Trusted Science Program in the Country**. The activities we provide promote scientific curiosity, foster love for STEM subjects, and are an innovative and creative platform for students to uncover the vast and ever-moving universe.

For this purpose, all our programs are in support of the International Astronomical Union (IAU), United Nations Educational, Scientific and Cultural Organization (UNESCO), National Aeronautics and Space Administration (NASA), UP Astrosoc, DOST and DENR. In addition to this, DepEd National highly supports this partnership through DepEd Advisory No. 098.

Thus, is our request from your good office to extend your unwavering support on this noble engagement for the public and private schools. Attached on the following page are the specifics of our activities for your perusal.

It's with great honor and pleasure to partner with you and numerous educational institutions on this endeavor for the school year 2025-2026. We believe that through your leadership our consolidated program will come into reality.

Mabuhay DepEd!

Regards,

Godofredo Tunac, Jr.

PROGRAM 1

Activity 1: **Lumina**

This year's **Philippines First-Ever "awe-spiring" call-to-action Environmental Awareness Production** encompassing the current state of our environment and the complex challenge it poses threatening our very existence in this planet. A thirty-minute artistic and never-been-seen before **edutainment** woven to illuminate our minds by connecting the bridge between science, arts, and music.

Activity 2: **I²(Intensive-Interactive Activity)**

Hands-on, fun interactive, and sensory activities for an even more immersive learning experience for all the learners and educators.

PROGRAM 2

Activity 1: **Sky Experience**

To display the process of creation dynamics, and its basic components in which matter got its model or existence, development, and extinction in a modern digital manner. Helping students grasp abstract astronomical concepts in light of sparking their enjoyment and interest in science.

Activity 2: **Environmental Awareness**

Progressive and Interactive discussion about our planet. The current complex state of the environment and challenging with many environmental problems affecting the planet. Some of the most pressing issues include climate change, deforestation, air and water pollution, loss of biodiversity, plastic waste, and the very alarming threat of astronomical phenomena such as solar flares.

Activity 3: **NASA Photo Gallery**

Three-Dimensional (Anaglyph) Display of Astronomical Photos with Description.

PROGRAM 3

Activity 1: **Manipulative Exhibit**

Self-discovery and actual experience of the basic concept of science (interactives) to render enlightenment and easy understanding of classroom lessons.

Activity 2: **3D Film Viewing**

To help the students experience the most advanced mobile 3D movie with the use of 3D eyeglasses.

BONUS: **Authentic Meteorite Display (Hands-On Experience)**

A rare experience of hands-on observation of authentic meteorite fragments for students.

I-EXPERIENCE

The Longest and Most Trusted Science Program in the Country

BENJAMIN D. PARAGAS
Regional Director
Department of Education
Region II

Dear Sir,

We hope this letter finds you in good health and high spirits.

We are from I-Experience, the **Premier and Most Trusted Science Program in the Country**. The activities we provide promote scientific curiosity, foster love for STEM subjects, and are an innovative and creative platform for students to uncover the universe that is vast and ever-moving.

For this purpose, all our programs are in support of the International Astronomical Union (IAU), United Nations Educational, Scientific and Cultural Organization (UNESCO), National Aeronautics and Space Administration (NASA), UP Astrosoc, DOST and DENR. In addition to this, DepEd National highly supports this partnership through DepEd Advisory No. 098.

Thus, is our request from your good office to extend your unwavering support on this noble engagement for the public and private schools. We intend to partner with your various divisions on the months of September to December. Minimal fee will be collected on the participants on a voluntary basis. We shall observe Time-on-Task on the execution of the activity. Attached on the following page are the specifics of our activities.

It's with great honor and pleasure to partner with you along with numerous educational institutions on this endeavor for the school year 2024-2025. We believe that through your leadership our consolidated program will come into reality.
