Subject: Request for Division Advisory Support – LIFELINES App Rollout & Orientation (May 15, 2025)

Sir,

Warm greetings from the LIFELINES Project Team!

I am **Leah Joyce C. Quilang, Ph.D.**, a former Teacher III from the Schools Division of Cauayan City and recipient of the **2024 SEAMEO-Australia Education Links Award**. I am reaching out to humbly request the support of your good office in releasing a **regional advisory** to help inform and encourage public school teachers and school heads in **Cagayan Valley** to participate in our upcoming virtual event:

Partnering for Progress: LIFELINES App Rollout & Orientation
May 15, 2025 (Thursday)
10:00 AM – 12:00 NN (Philippine Time)
Via Zoom (FREE REGISTRATION)
Registration Link:

The orientation aims to introduce the **LIFELINES Mobile Application**, an award-winning digital innovation that enhances **literacy and numeracy skills** among primary learners through culturally relevant and interactive story-based learning. It is freely accessible, offline-capable, and designed with features that teachers can easily integrate into daily instruction.

Participants will:

- Gain full access to the app and its classroom-ready features
- Receive free downloadable storybooks and activity sheets
- Learn practical strategies for integrating the app into their lessons

We believe the presence of teachers from SDO Cauayan City will enrich the learning exchange and promote innovation in teaching across divisions. Attached to this email are the **official invitation** and **final program** for your reference.

Thank you very much for your support of initiatives that empower educators through technology and regional collaboration. We look forward to your favorable response.

Warm regards,

LEAH JOYCE C. QUILANG, PH.D.
Project Initiator and Developer
2025 SEAMEO-Australia Education Links Awardee
