Director IV

External Partnerships Service Department of Education

Dear Secretary Angara,

Warm greetings from the National Music Competitions for Young Artists (NAMCYA), the National Youth Development Program for Music under Republic Act No. 11915. Now in our 52nd year, NAMCYA remains steadfast in its mission to nurture young Filipino musicians.

The Department of Education (DepEd) has been unwavering in its support, recognizing NAMCYA's vital role in nurturing young Filipino musicians, promoting excellence in music education, and preserving our rich cultural heritage through nationwide competitions, workshops, and performance opportunities.

In accordance with Sections 4 and 5(c) of Republic Act No. 11915, otherwise known as the "National Music Competitions for Young Artists (NAMCYA) Act," the Department of Education is recognized as a member of the Special Committee tasked with formulating plans and programs to implement the objectives of the Act. Furthermore, the law provides that the Department shall assist in the identification, selection, and training of participants from the different regions of the country, and extend support through the provision of venues and facilities for NAMCYA's local competitions and festivals.

In view of these mandates, we respectfully seek the Department's kind assistance in issuing a memorandum enjoining the participation of teachers and students in NAMCYA activities, and in extending institutional and, where possible, budgetary support. We remain confident that with the Department's valuable partnership, we can continue to nurture musical excellence and uphold the shared vision of cultivating the artistic potential of the Filipino youth.

We kindly ask that the memorandum be issued at your earliest convenience to allow schools and educators to prepare students and complete the nomination process on time. For your reference, the Appendix below shows the 2025 General Guidelines and the specific guidelines for each category.

Thank you for considering our request. Should you need further information, please feel free to contact us at namcy@gmail.com or at +63 915 008 7149.

Sincerely,

VIRGINIA NAÑAGAS-BACTAD
Chairman

TRADITIONAL MUSIC EXPRESSIONS

I. DESCRIPTION

The Traditional Music Ensemble Concert audition aims to identify performing groups that will perform in the NAMCYA Traditional Music Concert. The Traditional Music Concert features live performances of traditional expressive forms from different local communities in the Philippines. Recognizing that traditional expressive forms integrate various expressive modes, performances may include singing, speech, the use of instruments, body movement/s, the use of materials and traditional attire.

The concept of 'traditional' is based on the notion that these expressive forms are performed as part of everyday life and/or during special events in the community, and thus are part of the community's living heritage and sense of identity.

Keeping in mind the mission of NAMCYA to engage young members of the community to learn about and nurture their community's living heritage, each performing group must prominently feature the performance of one or more young members of the community (not more than 18 years old by December 31, 2025).

II. ELIGIBLE PARTICIPANTS

1. Performers (individual or group) can come from any local community (indigenous, lowland, Christian, or urban) in the Philippines. These can include (but are not limited to) existing performers/performing groups established in the school, church, family or community.
2. The performance must prominently feature at least one member who is no more than 18 years old on December 31, 2025.
3. Each contingent can include up to 17 members, one of whom should be the local expert who serves as the consultant and leader of the performing group.

III. PERFORMANCE

1. Each group must prepare a performance that does not exceed 15 minutes, including their entrance and exit from the stage. The performance may take any ONE of the following formats:
 - a) Ensemble performance (one or more pieces)
 - b) Solo performance (one or more pieces)
 - c) Mixed solo and ensemble performance (one or more pieces)
2. Each performance must be prepared under the guidance of a local expert on the expressive form/s that will be performed (elder, master, teacher, artist or local leader) who is identified by the community. This expert will serve as informant or consultant.
3. The traditional performance mode of the expressive form, as it is done in the community setting, must be retained as much as possible. This includes the use of movements, materials, and traditional attire, as needed, for the performance. **Mastery of musical skill** is the major criteria for selection.

Please be reminded by the following:

- a) The use of fire or live animals in the performance is strictly prohibited.
- b) Costumes, instruments, and other materials that may be needed in the performance must be provided by the performers.

IV. REQUIREMENTS

1. Application form
2. Audio-visual recording of performance (see the guidelines below)
3. Written DESCRIPTION of the performance with the following information:
 - a) Title of piece/s
 - b) General description of the performance (maximum of 150 words)
 - c) Musical instruments used in the performance
 - d) Other relevant materials used in the performance (if applicable)
 - e) Transcription of the text in the original language with line-by-line translation in Filipino or English. (if applicable)
 - f) Brief biographical note (max. 250 words) of the local expert consulted for the performance. The note should include:
 - the name of the local expert
 - community of origin
 - training history,
 - other pertinent credentials as the local expert

v. AUDIO-VISUAL RECORDING GUIDELINES

1. The audio-video recording must be done in a space that approximates the shape and dimension of a live onstage performance. Care must be taken to find an environment with lighting conditions adequate for video recording (daytime recording and/or natural outdoor lighting are ideal).
2. To produce the ideal sound recording, choose a venue with minimal to zero external noise that might interfere with the performance (i.e. passing vehicles, humming of fans or air conditioners, loud animal or human sounds). Avoid using spaces that produce excessive reverberation or echo such as churches or gymnasiums. An external microphone placed close to the performers is recommended if the video camera's built-in microphone is inadequate to capture the performance clearly.
3. The recording should include the following:
 - a) An announcement of the name of the group and the title of the pieces as they appear in the application form
 - b) The performance of the piece/s as it is intended to be performed in the Traditional Music Concert.
4. Please follow the following recording instructions:
 - a) The recording must be shot from the angle of the viewing audience - far enough so that the entire performance area is visible on screen but near enough to recognize the faces of the performers. Zoom or pan shots are **NOT ALLOWED**.
 - b) The video camera should be placed on a tripod to avoid a shuddery image.
 - c) The recording of the performance should be continuous, from beginning to end. Do not pause or stop the recording in the middle of the performance.
 - d) Editing, visual and audio enhancements, and the use of pre-recorded music are **NOT ALLOWED**.
