July 7, 2025

Dr. Orlando E. Manuel  
Schools Division Superintendent  
Division of Nueva Vizcaya

Dear Dr. Manuel,

Warm greetings from MATH-Inic Philippines!

We are grateful for the support your office has extended to our past initiatives. In line with our continuing efforts to complement the Department of Education's goals in **enhancing mathematics instruction**, we wish to share the revised schedule of Vedic Mathematics activities for 2025.

These events aim to **cultivate stronger number sense, creative problem solving, and confidence in math** among learners through the **Vedic Mathematics system, a simplified and unified approach to computation**.

We respectfully invite your teachers and learners to participate in the following key events:

1. The **11th Online Vedic Mathematics International Conference on July 12–13, 2025** – A **free two-day virtual event** by the **UK-based Institute for the Advancement of Vedic Mathematics (IAVM)**, featuring international speakers, inspiring success stories, and new research in Vedic Math applications. Highlights include the announcement of winners for the Lilavati Mathematical Poetry Competition, a creative writing workshop, and a keynote by IAVM Founder James Glover.
2. The **6th Philippine National Vedic Mathematics Olympiad (PNVMO) on September 13–14, 2025** – an online weekend event organized to assess and celebrate what students have learned through Vedic Math techniques. The PNVMO is one of two national competitions (the other being the MATH-Inic Vedic Mathematics National Challenge) conducted by MATH-Inic Philippines to help prepare Filipino Mathletes for the International Vedic Mathematics Olympiad (IVMO).
3. The **5th International Vedic Mathematics Olympiad (IVMO 2025) on November 15 and 29, 2025**, also organized by the IAVM, is expected to draw thousands of participants worldwide. In 2024, over 10,000 Vedic Math enthusiasts from 9 countries joined the event, with the Philippines earning 23 out of the 25 top-three finishes across all six categories.

We also invite your teachers to participate in our 2<sup>nd</sup> **Free Vedic Math Basics Online Course** (<https://bit.ly/VMBasicsII>), which includes:

- Access to pre-recorded training sessions for self-paced learning
- Participation in live webinar sessions
- This course is free of charge, and teachers are warmly encouraged to share the knowledge with their students, regardless of whether they join the competitions

These events are scheduled on weekends to avoid disruption of classes, are entirely voluntary, and comply with DepEd Orders No. 8, s. 2013 and No. 28, s. 2001. While we are not seeking official endorsement, we would truly appreciate your help in sharing this information with schools in your area so that more teachers and learners may benefit from these enriching opportunities.

For further details, teachers may contact us via email at [info@math-inic.com](mailto:info@math-inic.com) or visit our Facebook page at [facebook.com/MATHInicPhils](https://facebook.com/MATHInicPhils).

We sincerely hope your office will consider issuing an advisory to help inform interested schools and educators about these opportunities.

Thank you very much for your continued support.

Respectfully yours,

*Virgilio Y. Prudente*
