Dear Sir/Ma'am,

Greetings of peace!

3ventor Educational Events Organizing Services believe that education is the core of a successful nation and by that, we would like to take part on molding and imparting knowledge to students in Isabela. Through an unconventional and fun filled approach, we believe it will give our student a very meaningful learning experience and realization that learning is fun.

We hope to conduct an Interactive Science exhibit in Isabela. We assure your office that contents and materials to be used will be align with schools' curriculum and ideals.

We will make sure that no one will be deprived of learning. We will reach to each and every student that will participate.

As for the safety of our students, presentation of exhibits will be held in school campus or in any venue that will be approved as safe and convenient by the school. All throughout the event, we will provide professional exhibit facilitator who will closely monitor and assist our students. We guarantee that all materials that we will use and present are all safe and that it will not harm our students. We, at the Eventor Education Events Organizing Services hope that your office will give us a chance to be part in molding our students, Thank you.

3ventor Educational Events Organizing Services is an agency of Professional Education Events Coordinator, Organizer and Exhibitor whose aim is to provide a more effective and enjoyable way of conveying knowledge to every student. The agency is well open to the various aspect of education that will effectively and competently guarantee the total quality **LEARNING**.

For this season **3ventor Educational Events Organizing Services** will be bringing in the area the **FIRST INTERACTIVE SCIENCE MOBILE MUSEUM** with a theme "**EXEL, Experience and Expand Learning**", a Traveling exhibit launched in July 2006 that is designed to reach out to every student in every corner of the Philippines, delivering an exciting science exhibit to students and teachers.

3ventor Educational Events Organizing Services, and "EXEL, Experience and Expand Learning" have reached thousands of Elementary, Junior High School, Senior High School and College students and have toured throughout the country, including isolated areas. With the mission of bringing the fun Science to the classroom, the exhibits will be able to create a learning environment where science concepts are discovered in an entertaining way and imagination will capture the hearts of the young minds.

In line with this, we are writing to formally invite your students and teachers to visit our Science Mobile Museum where they can discover and re-discover **The World of Science**. We can also bring the Mobile Museum in your respective school. We would like to ask your permission to post our promotional materials to your bulletin or activity board.

The Mobile Interactive Science Museum create experiences and opportunities for students to enjoy Science with more than Thirty (30) gadgets to choose from. We prepare a highly visual, colorful and well-crafted gadgets for the exhibit. It employs graphics, computer software and the latest technology to present a scientific phenomenon in the best way possible.
