Schools Division Superintendent  
Schools Division of Nueva Vizcaya

Dear Sir,

Warm greetings from PHINMA Araullo University!

We are truly grateful for the continued partnership with your office in supporting students' educational journey. It is through this collaboration that we are able to reach more learners and provide them with opportunities to overcome educational barriers and finish school.

This year, we hope to once again conduct the PHINMAEd EduProfile Index in selected schools under your division. This is an onsite, no-cost assessment that gives us a better understanding of the academic, financial, and personal challenges faced by students.

After the assessment, we will provide each participating school with a diagnostic report that presents critical data often unavailable through standard school evaluations. This report includes insights on:

- Academic preparedness
- Socio Economic and financial background
- Student employment and its impact on academics
- Career and course preferences
- Demographic and academic burdens

Based on these insights, we will once again offer:

- HK Scholarships with no maintaining grade requirement
- Personalized coaching via the Kasama Support Hub—last year, our pilot helped over 3,000 students confidently pursue college despite hardships
- Student trainings and workshops to build confidence, purpose, and resilience

With this, we would like to seek approval from your good office to conduct our **PHINMAEd EduProfile Index for Grade 12 students** in selected schools under your division for the upcoming SY 2026–2027 on **September 16, 17 & 18, 2025**.

Thank you for your continued support. Together, we can help more students overcome barriers and earn a college degree.

To coordinate further and for any clarifications, please feel free to contact **Ela Villamar Somera** at **0907-911-4813** or via email at [dvsomera.au@phinmaed.com](mailto:dvsomera.au@phinmaed.com).

Sincerely,
