Chief-Curriculum Implementation Division
Public Schools District Supervisors/District In-Charge
All Others Concerned

1. In line with our continuing efforts to promote the health and well-being of all personnel, the Schools Division Office of Nueva Vizcaya, through the School Health and Nutrition Unit, shares an informative video presentation from **Kaiser**, a duly recognized Health Maintenance Organization (HMO).
2. The thirty (30)-minute video discusses the **purpose, benefits, and range of services** offered by Kaiser, including preventive care, medical assistance, and financial protection through health coverage. This initiative aims to increase awareness among personnel on how HMOs can provide accessible and sustainable health support for educators and their families.
3. All teaching and non-teaching personnel are **encouraged to watch the video** at their most convenient time within the week. Investing a few minutes to understand how an HMO works can contribute significantly to our overall health security and financial preparedness.
