Greetings from RivanCyber Training Institute Inc.!

We are honored to submit this formal proposal for the conduct of the **CompTIA Security+ (SY0-701)** training program for the personnel of the **Department of Education – Schools Division of the City of Ilagan**.

This comprehensive 7-day, face-to-face training program is designed to equip participants with essential cybersecurity knowledge and practical skills required to protect and manage information systems. The course will also fully prepare trainees for the CompTIA Security+ (SY0-701) certification examination – a globally recognized credential that validates foundational and hands-on competency in information security and risk management.

Training Fee: 18,000 per participant

Program Details

- Program Title: COMPTIA Security + (SY0 701)
- Duration: 4 days
- Schedule: December 8 to 11
- Schedule: 9:00 AM – 4:00 PM (Daily)
- Mode of Delivery: On-site / Face-to-Face Instruction
- Training Venue: Rivan Building, 18D Mola Street, La Paz, Makati City

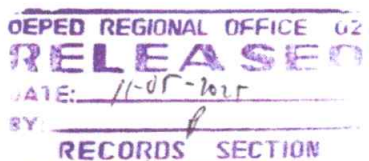

Program Objectives

- Build a strong foundation in cybersecurity concepts, threats, and best practices.
- Strengthen participants' ability to identify, assess, and mitigate security risks.
- Develop hands-on proficiency in securing network, endpoint, and cloud environments
- Enhance understanding of incident response, governance, and compliance requirements.
- Prepare participants to successfully pass the CompTIA Security+ (SY0-701) certification exam.

Should you require further details or clarifications regarding this proposal, please do not hesitate to contact us.
