We are deeply grateful for your support in encouraging public schools to participate **free of charge**. Your acceptance and promotion of the free slots for public-school learners **expanded access** to international competitions and **strengthened numeracy skills** across the region. Your steadfast commitment to **equitable opportunities** is truly commendable

We are pleased to inform you that **all medals and certificates are now ready for distribution**. We would be honored by your assistance in **facilitating delivery to the recipient schools**, so that these achievements may be celebrated within their communities and inspire more students to pursue excellence.

In light of this success, MTG Philippines is delighted to **increase the number of free slots for public-school students in your region** for the 2026 IKMC. We are confident that this expanded participation will lead to even greater accomplishments and help us discover and nurture more young talents.

Once again, congratulations on this remarkable achievement, and thank you for your unwavering support of our programs. We look forward to continuing our partnership in empowering learners to reach new heights.

Thank you.

Very truly yours,

Simon L. Chua, D.T.
