Dear Secretary Angara,

I trust this letter reaches you in good health and high spirits!

Consistent with the Continuing Professional Development (CPD), the Career and Prof. Progression Training Center as a recognized CPD Provider in accordance with the "Implementing Rules and Regulation (IRR) of Republic Act No. 10912, otherwise known as the CPD Act of 2016 set forth by the Professional Regulation Commission in Resolution No. 1032, Series of 2017, we are humbly presenting the CPD accredited professional development program offered by our training center. We earned the accreditation of these programs through the evaluation and approval of the CPD Council for Professional Teachers of the Professional Regulation Commission, certified that every topic was aligned to the Philippine Standards for Professional Teachers (PPST), and to Philippine Professional Standards for School Heads (PPSSH). Furthermore, these programs are specially designed anchored on the agenda of the **National Educators' Academy of the Philippines (NEAP)**.

In the aforementioned, we would like to respectfully inform your office of our different ongoing PD programs offered to teachers and school leaders with the primary goal of supporting the advocacy of the department in continuing professional development and advancement to improve the quality of education by providing them with clear career paths, necessary training, and a motivating work environment.

Our training programs are designed to create professional development programs for teachers and school leaders, with the goal of enhancing their knowledge, skills, and attitudes to improve student outcomes. Further, anchoring elements include aligning training with the Philippine Professional Standards, PPST for teachers, PPSSH for school heads, using a competency-based approach identified through needs assessments, and ensuring programs are needs-responsive, relevant, and linked to career progression.
