Dear **Director Paragas**,

Greetings of Love and Peace from the NSCAAP!

The National Science Club Adviser Association of the Philippines (NSCAAP) and in coordination with the Department of Education will conduct its National Science Congress from Grades 1 to Grade 7 with the theme: **"Siensiya, Teknolohiya at Inobasyon: Kabalik at Matatag, Maginhawa, at Panatag na Kinabukasan"**.

The Science congress aims to:

1. support educators by providing continuous capacity-building and professional development opportunities that enhance the mentoring and leadership skills of science club advisers;
2. promote Science, Technology, Engineering, and Mathematics education through co-curricular programs, research activities, and science club initiatives at the school and national levels; and
3. strengthen networking and collaboration among educators by facilitating resource sharing, communication, and the exchange of best practices in science teaching.

This will be held on February 20-22, 2026 at the La Vista Resort Complex, Pansol, Calamba Laguna.

In this light, may we cordially invite your schools to participate in the National Science Congress.

Your utmost unwavering support in this event is an indication of your great concern on the upliftment of the Science Club Movement.

Attached herewith for your kind perusal is the DepEd Advisory No.006 s.2026 relative to the said activity /addendum.

NATIONAL CHILDREN'S SCIENCE CONGRESS 2026

The Science Club Advisers Association of the Philippines (SCAAP) Inc. will conduct the National Children's Science Congress 2026, to be held at the La Vista Pansol Resort Complex, Calamba, Laguna, on February 20-22, 2026.

With the theme *Siensiya, Teknolohiya at Inobasyon: Kabalikat sa Matatag, Maginhawa, at Panatag na Kinabukasan*, the Congress aims to

1. support educators by providing continuous capacity-building and professional development opportunities that enhance the mentoring and leadership skills of science club advisers;
2. promote Science, Technology, Engineering, and Mathematics education through co-curricular programs, research activities, and science club initiatives at the school and national levels; and
3. strengthen networking and collaboration among educators by facilitating resource sharing, communication, and the exchange of best practices in science teaching.

The activity is designed as a vital platform to advance the development of science and technology concepts among young participants. Through engaging, hands-on science activities, the event fosters creativity, deepens understanding, and promotes the exchange of novel ideas and innovations while providing students with opportunities to achieve academic excellence in science by validating and showcasing their scientific research and investigatory projects to a wider audience.

The target participants for this activity are learners and teachers from both public and private elementary and secondary schools nationwide.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.
