BENJAMIN D. PARAGAS
Regional Director
REGION II

Attn: ISAGANI DURUIN
MATH REGIONAL SUPERVISOR

Dear Sir,

Greetings of Excellence!

The **Math Olympiads Training League Inc. (MOTLI)** is driven by a clear and resolute vision: to be the tool for STEM enthusiast learners in exploring their skills in the international arena and make it universally accessible to everyone, most especially to the displaced and intelligent learners, regardless of background or ability.

In pursuit of this vision, we are honored to invite your region to participate in the **Philippine International Mathematical Olympiad (PHIMO) Heat Round 2026** on March 8, 2026.

We recognize that many of our most brilliant minds are found in challenging circumstances. To ensure that opportunity is truly universal, MOTLI is officially awarding one hundred (100) scholarship slots for this competition. These slots are strictly free of registration fees, intended to remove financial barriers for students who possess immense potential but lack the resources to compete globally.

We specifically request your assistance with the help of the **Regional Education Program Supervisor in Mathematics** in identifying deserving Filipino students who embody our vision, particularly those who are displaced, underprivileged, yet highly intelligent. We believe that by providing a platform for these learners, regardless of their background or physical ability, we are not only discovering math wizards but also championing social mobility through STEM excellence.

We humbly request that this opportunity be disseminated to all Schools Division Offices (SDOs) to ensure we reach those who need this break the most and submit the list on or before **February 9, 2026**.

For coordination, please contact our Secretariat at 0966-873-9643 or motliphilippines.csr@gmail.com

Thank you for partnering with us in making international math excellence accessible to every deserving Filipino child.

Respectfully yours,

February 5, 2026

To: **SCHOOLS DIVISION SUPERINTENDENTS**

ENGR. KAREN S.
MOTLI President
