**ORLANDO E. MANUEL PHD, CESO V**  
School Division Superintendent  
Department of Education  
Nueva Vizcaya, Region 2

## INVITATION TO 2026 THAILAND INTERNATIONAL SEMINAR

Dear Superintendent Manuel,

The **Asian Center of Education, Research, and Training for Innovation Inc. (ACERT)** and **Tomorrow International Institute, Inc. (TII)**, in partnership with Assumption University Thailand bring you their innovative program titled “Curriculum Leadership in the 21st Century,” to be held in **May 2026** at **Assumption University, Thailand**. This learning opportunity is an accredited program of the National Educators Academy of the Philippines (NEAP) under PD2021-0074-1028, while the partner organization is listed as one of the accredited learning service providers under LSP-2020-0011-1020.

Hence, it is our sincerest desire to share this program with educators, business school deans and professors/instructors, and administrators. The program focuses on technology integration, student-centered approaches and personalized learning, with actual application emphasizing digital pedagogy, cyber wellness, open educational resources, and blended learning to bridge the digital divide and improve equity and access to quality education. Teacher professional development is a key component, equipping educators with skills in using new digital tools and adapting to innovative instructional methods.

In line with this, the event is limited to 200 per batch only; if there are more willing participants, another batch can be opened. Also, for the convenience of the participants, payment can be made in staggered form and will be discussed by our staff.

For further inquiries, please contact **Ms. Megan Alexis Maloloyon** at **0960-5683369** or email us at **tiiph2019@gmail.com**.

We Bring Hope to the Future.

  
**Gan, Erickson P.**  
*Strategic Partnership and Education Program Coordinator*  
ACERT

# 2026 THAILAND PREPARATION, PROGRAMME AND ACTIVITIES

## Tomorrow International Institute

Thailand Face-to-Face Training | May 4–9, 2026

### I. Seminar Overview

- **Theme:** Curriculum Leadership in the 21st Century School Environment.
- **Dates:** May 4–9, 2026.
- **Location:** Thailand.
- **Accreditations:** PRC and NEAP Accreditation.

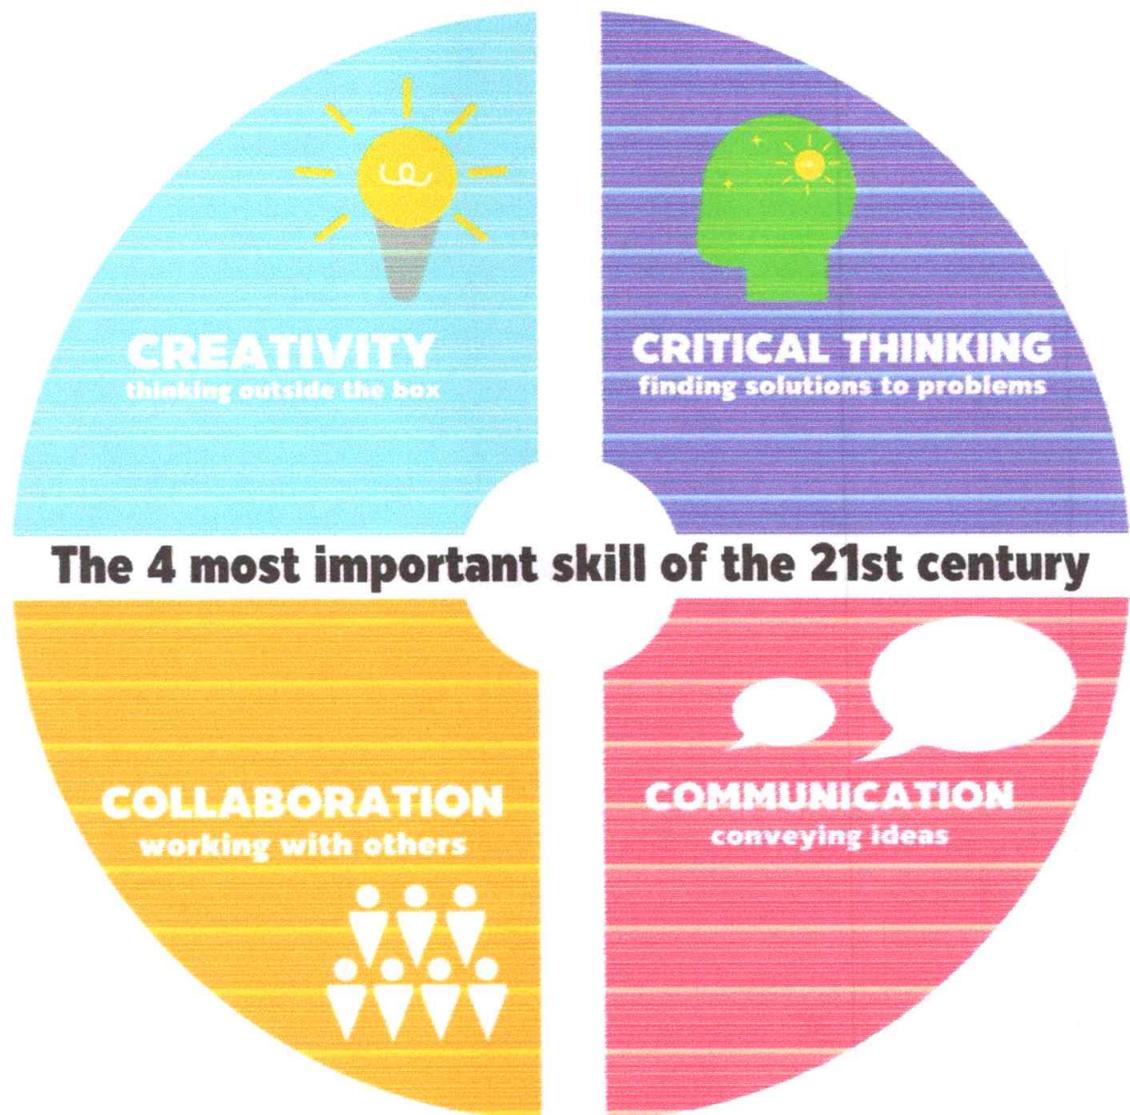

### II. What to Expect

- **Global Networking:** Meet and learn from global educators and experts.
- **Active Learning:** Engaging sessions and interactive workshops.
- **Academic Exchange:** Research presentations and demonstrations.
- **Cultural Immersion:** Educational tour of Thailand.

### III. Program Objectives

- **Enhance Curriculum Leadership:** To equip educators, school deans, and administrators with the leadership skills necessary to navigate and manage 21st-century educational demands.
- **Implement Modern Pedagogies:** To provide practical training on digital pedagogy, focusing on the actual application of technology integration within the classroom.
- **Promote Student-Centered Learning:** To transition instructional methods toward personalized learning and student-centered approaches that cater to individual learner needs.
- **Bridge the Digital Divide:** To improve equity and access to quality education by exploring the use of Open Educational Resources (OER) and blended learning models.
- **Foster Cyber Wellness:** To educate participants on the ethical and responsible use of digital tools, ensuring a safe and positive digital environment for students.

- **Professional Skill Advancement:** To empower teachers with the specific skills required to utilize new digital tools and adapt to innovative, technology-driven instructional methods.

### Program Alignment

The training is specifically designed to meet the standards of the **National Educators Academy of the Philippines (NEAP)**, ensuring that the learning outcomes align with professional development requirements for Filipino educators and administrators.

## IV. Core Topics for Discussion

### 1. Curriculum and Instructional Leadership

- **21st Century Leadership:** Strategies for leading educational institutions in a modern context.
- **Student-Centered Approaches:** Shifting the focus of instruction to meet the diverse needs of learners.
- **Personalized Learning:** Implementing methods that allow for individual student pace and interest.

### 2. Digital Transformation and Pedagogy

- **Technology Integration:** Effective ways to incorporate digital tools into the classroom curriculum.
- **Digital Pedagogy:** Exploring the art and science of teaching specifically within a digital environment.
- **Blended Learning:** Combining traditional face-to-face instruction with online learning to bridge the digital divide.

### 3. Educational Equity and Access

- **Open Educational Resources (OER):** Utilizing free and accessible digital materials to improve equity in education.
- **Bridging the Digital Divide:** Strategies to ensure all students have equal access to quality education regardless of their technical resources.

### 4. Cyber Wellness and Ethics

- **Cyber Wellness:** Promoting positive and responsible use of the internet and digital devices among students and educators.

### 5. Professional Development for Educators

- **Skill Enhancement:** Training educators to use new digital tools and adapt to innovative instructional methods.
- **Teacher Development:** Focusing on the continuous growth of teachers as a key component of school success.

## Immigration and Airport Preparation (At the Airport)

1. Check all your things before going to the airport: passport, documents needed, luggage, wallet, and phone.

2. For safety and security purposes, kindly wrap your luggage.
3. Double-check and take a picture of your luggage as proof that nothing illegal is inside.
4. Pay travel tax first before getting your boarding pass.

### **Immigration and Airport Preparation (At the Immigration)**

1. After immigration in Thailand, proceed to gate 4.
2. You can buy a SIM card at the airport (200 - 350 Baht).
3. The university bus will pick you up and proceed directly to the university.
