Subject: JPOMO Invitation

You don't often get email from penchickomo@gmail.com. [Learn why this is important](#)

Dear Schools Division Superintendent,

Good day.

I am writing on behalf of the Junior Penchick Online Math Olympiad (JPOMO) to **formally invite schools in Region II (Cagayan Valley) to participate** in this upcoming contest.

JPOMO is designed for students who are beginning their journey in mathematical olympiads. The contest provides an accessible introduction to competition-style problem solving and mathematical reasoning, helping students develop early skills in creative and analytical thinking.

We believe this competition will be a valuable opportunity for students in your division to experience competition-style mathematics in a supportive and engaging environment.

For reference, here is the official announcement:

<https://www.facebook.com/share/p/1KAiZJM1xa/>

Pre-registration link:

The contest will take place soon, and we would be delighted to have schools from Region II join us. Please feel free to share this invitation with mathematics teachers and students in your division.

Should you need additional details or materials, we will be happy to provide them.

Thank you very much for your time and support, and we look forward to Region II schools participating in JPOMO.
