Coding Olympiad Summer Edition

Are you ready for a summer full of coding challenges and exciting battles?

Challenges by  Codementum

29 August 2026 - Saturday | 10:00 AM

Arena Battles by  CODECOMBAT

29-30 August 2026 - Saturday - Sunday | 36 Hours

 Join the Summer Edition of the Coding Olympiad for a chance to visit NASA! 

Choose between 2 globally recognized coding platforms, **CodeCombat** and **Codementum**, each offering a unique competition experience. Register in the category that best matches your interests and learning style, and gain access to premium training materials designed to help you succeed.

Arena Battles by CodeCombat (Grades 4-12)

Put your coding skills to the test in live battles against other participants. Develop smarter strategies, improve your code, and climb above your competitors on the leaderboard.

 Python | JavaScript

Challenges by Codementum (Grades 1-12)

Solve exciting coding challenges, write efficient code, manage your time wisely, and earn stars as you progress through increasingly advanced levels.

 Block Coding (Perfect for Beginners) | Python | JavaScript

Whether you're a beginner or experienced, the Coding Olympiad helps you learn real programming skills through fun, hands-on challenges and competition.

 All registered participants will receive a **FREE Premium Membership** for their selected platform (Codementum or CodeCombat) and can continue training until **1 September 2026**.

Register today, start practicing, and get ready to compete with young coders from around the world!
