Don Domingo Maddela, Bayombong, Nueva Vizcaya

Dear Sir:

The Department of Environment and Natural Resources (DENR) Region 2 will conduct the Youth Envi Fest 2026 on June 24–26 2026 at the DENR Ecological Park and Training Center, Aritao, Nueva Vizcaya in time for the Philippine Environment Month celebration.

The activity aims to strengthen environmental awareness and youth engagement by equipping participants with knowledge and skills on environmental protection, conservation, climate action, and environmental leadership. Through lectures, workshops, practical exposure, and team-building activities, participants will be enlisted as Eco-Champions who will help promote environmental initiatives in their respective schools and communities.

In this regard, we respectfully request your office to endorse and allow the participation of fifteen (15) student leaders, preferably Grade 9 to Grade 10 learners who are officers or active members of the Youth for Environment in Schools Organization (YES-O), and an adviser/mentor from your division to attend the activity.

Attached is the program for your reference and guidance.

For coordination and confirmation of participants, you may contact our Regional Youth Desk Officer, Princess Margaret Astudillo at 0960-429-0633.

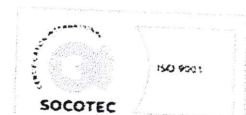

We look forward to your continued support in empowering the youth as active partners in environmental protection and sustainable development.

Thank you.

Very truly yours,
