DIVISION MEMORANDUM

No. 303, S. 2026

2026 DIVISION SCHOOLS PRESS CONFERENCE

To: Assistant Schools Division Superintendent
Chief, Curriculum Implementation Division
Chief, School Governance and Operations Division
Public Schools District Supervisors/ District-in-Charge
Selected Division Journalism Trainers
All Others Concerned

1. This Office announces the schedule adjustment for the 2026 Division Schools Press Conference, which will now be held on **September 2–3, 2026**, in **Aritao, Nueva Vizcaya**.
2. Mobile Journalism for high school is now an official contest category. Each district may send one (1) English and one (1) Filipino participant; refer to the attached guidelines for details.
3. The official school publication competition for school papers and search for outstanding school paper advisers and campus journalists will be on October 29, 2026. However, all districts are encouraged to participate in the **open exhibit of school papers on September 2, 2026**, to promote benchmarking and provide technical assistance across Nueva Vizcaya schools.
4. All districts are directed to conduct district-level elections for the Editors' Guild (Elementary and Secondary levels). Elected district presidents must attend the Division Elections on September 2.
5. Members of the Division Technical Working Group (TWG) are instructed to report for duty during the event.
6. The activity matrix is attached for reference.
7. All other provisions of DepEd Memorandum No. 303, s. 2026 remain in effect.
8. Immediate and wide dissemination of this Memorandum is desired.

CONTEST GUIDELINES FOR MOBILE JOURNALISM

1. Equipment and Technology Restrictions

- Permitted Hardware: Contestants must use only one (1) smartphone or tablet (with SIM card removed) for both video capture and editing.
- Prohibited Gear: Laptops, DSLRs, mirrorless cameras, and external video recorders are strictly prohibited.
- Accessories: Participants must supply their own auxiliary tools, such as tripods, gimbals, monopods, and smartphone-compatible clip-on or wireless microphones.
- Power and Storage: Bringing dedicated power banks and ensuring maximum available internal storage prior to the competition is mandatory, as wall outlets at the venue are limited.
- Mobile Application: CapCut is the authorized video editing application.

2. Time Allotment and Workflow

- Orientation: A mandatory 30-minute technical briefing will be conducted before the competition to review scoring rubrics and assign topics.
- Production Window: Contestants will be given a three-hour (3-hour) production window to complete gather-to-publish protocols.

3. Material Sourcing and Originality

- Zero Stock Policy: All video footage, audio clips, voiceovers, and photos must be captured on-site on the day of the competition. Using pre-downloaded sound effects, transitions, graphics, or stock B-roll will result in immediate disqualification.
- Data Gathering: Gathering facts and interviews is limited to the official mock press conference, assigned sports events, or designated areas within the host venue premises on contest day.
- Anti-Plagiarism: Scriptwriting must be entirely original. Fabricating quotes or utilizing AI text generators violates Department of Education (DepEd) intellectual property policies.

4. Integrity and Monitoring

- Proof of Workflow: To verify that no desktop computer or external editing software was used, contestants must submit uncompressed raw files alongside their finished output to provide an authentic digital audit log proving all rendering occurred strictly within the mobile app.
- File Submission: Finished packages must be uploaded before the official deadline to the designated Drive or local server provided by the Division Technical Working Group (DTWG). Late submissions will incur point penalties.

5. Internet Access

- The DTWG will provide an internet connection exclusively during the output uploading phase.
