**CONDUCT OF THE "TAHANAN SA PAARALAN" PARENT
HEALTH LITERACY PROGRAM**

To: Assistant Schools Division Superintendent
Chief-School Governance Operations Division
Chief-Curriculum Implementation Division
Public Schools District Supervisors / District In-charge
Public Elementary School Heads
All Others Concerned

1. In line with the Department of Education's commitment to promoting the health and well-being of learners through strengthened school-community partnerships, the Schools Division Office of Nueva Vizcaya, through the School Health and Nutrition Unit (SHNU), announces the conduct of the **"Tahanan sa Paaralan" Parent Health Literacy Program** in collaboration with the **Philippine Pediatric Society – Northeastern Luzon Chapter (PPSNEL)**, the **Philippine Ambulatory Pediatrics Association (PAPA)**, and **Unilab-Pediatrica**. The program aims to empower parents and guardians through evidence-based health education on child health, nutrition, immunization, mental health, parenting, and other priority pediatric health concerns.

2. The activity shall be conducted as follows:

Date	School	Venue
August 27, 2026	Bayombong Central School	Bayombong, Nueva Vizcaya
August 28, 2026	Capisaan Elementary School	Brgy. Wangal Covered Court, Kasibu East, Nueva Vizcaya
September 17, 2026	Quezon Central School	Quezon, Nueva Vizcaya
September 18, 2026	Solano East Central School	Solano, Nueva Vizcaya

3. The participants shall be:

- Parents and guardians of Preschool to Grade 6 learners;
- School Heads;
- School Health Personnel; and
- Other invited stakeholders.

4. The concerned school heads are requested to:

- Invite and encourage the participation of parents and guardians of Preschool to Grade 6 learners;

- d) Coordinate with the PPSNEL organizing team and the Division School Health and Nutrition Unit regarding logistical preparations.

5. Schools are encouraged to ensure a minimum attendance of fifty (50) parents or guardians. Should the expected attendance exceed fifty (50), the concerned school shall inform the organizing team at least two (2) weeks before the scheduled activity to allow adequate preparation of educational materials and logistical requirements.

6. In adherence to **DepEd Order No. 9, s. 2026** on the implementation of activities in schools with due consideration to the protection of instructional time, the conduct of the **Tahanan sa Paaralan Parent Health Literacy Program** shall **not disrupt regular classes and other teaching-learning activities**.

As the primary participants are **parents and guardians**, schools are **strongly encouraged to conduct the activity in the Barangay Hall, covered court, or other appropriate community venue**, whenever feasible, to avoid interruption of classroom instruction.

7. If the activity must be conducted within the school premises, the School Head shall ensure that:

- a) Classes shall continue uninterrupted throughout the duration of the activity;
- b) The venue shall be located in an area that will **not cause noise or disturbance** to ongoing classes;
- c) The use of sound systems shall be regulated and kept at a level that will not interfere with teaching and learning;
- d) Only the **minimum number of teachers and school personnel necessary** for coordination and supervision shall participate, while all other teaching personnel shall remain in their respective classes; and
- e) Parents and guardians shall proceed directly to the designated venue without interrupting classroom activities.

8. The School Head shall determine the most appropriate implementation strategy based on the school's context while ensuring compliance with DepEd policies on the protection of instructional time and maximizing parent participation.

9. The Philippine Pediatric Society – Northeastern Luzon Chapter, together with its partners, shall:

- a) Provide qualified pediatricians as resource speakers;
- b) Deliver standardized health literacy sessions;
- c) Provide educational materials and evaluation tools; and
- d) Coordinate the overall conduct of the activity.

10. Expenses relative to local transportation and other incidental expenses of participating DepEd personnel shall be charged against available local funds, subject to the usual accounting and auditing rules and regulations. Activity expenses of the partner organizations shall be borne by their respective institutions.

Subject: PROPOSED PPS-NEL PEDIATRIC HEALTH EDUCATION AND HEALTH LITERACY ACTIVITIES IN SELECTED SCHOOLS OF NUEVA VIZCAYA

Dear Sir:

Greetings!

The **Philippine Pediatric Society – Northeastern Luzon Chapter (PPS-NEL)** respectfully submits for your information and consideration our proposed collaboration with selected schools of the **Department of Education – Schools Division of Nueva Vizcaya** for the conduct of pediatric health education and health promotion activities.

As part of our commitment to promoting the health and well-being of children and adolescents through health education, disease prevention, and community engagement, PPS-NEL is pleased to provide **qualified pediatricians as resource speakers** for evidence-based lectures and interactive discussions for parents, learners, teachers, and school personnel.

The following activities are being proposed:

Date	School	Venue
August 27, 2026	Bayombong Central School	Bayombong, Nueva Vizcaya
August 28, 2026	Capisaan Elementary School	Brgy. Wangal Covered Court, Kasibu East
September 17, 2016	Quezon Central School	Quezon, Nueva Vizcaya
September 18, 2026	Solano East Central School	Solano, Nueva Vizcaya

The Tahanan sa Paaralan program is being undertaken in collaboration with the Philippine Ambulatory Pediatrics Association (PAPA) and Unilab-Pediatrica. The program is designed for parents and guardians of Preschool to Grade 6 learners and will cover relevant pediatric health and child development concerns, including nutrition, immunization, common childhood illnesses, mental health, parenting, wellness, and other priority pediatric health topics.

PPS-NEL shall provide the qualified pediatricians/resource speakers, standardized health literacy modules, educational materials, activity evaluation tools, and coordination for the overall conduct of the health education sessions.

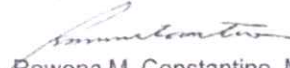

In this regard, we respectfully seek the **support and approval of the Schools Division Office of Nueva Vizcaya** for these activities and the participation of the concerned schools. We likewise acknowledge the importance of coordinating the implementation with the respective School Heads to ensure that the activities are appropriately scheduled and conducted in consideration of existing school programs and instructional requirements.

We believe that a strong partnership between schools and pediatric healthcare professionals can significantly contribute to improving the health and well-being of children and adolescents in our communities.

We look forward to your favorable response and to building a meaningful and sustainable partnership with the Department of Education – Schools Division of Nueva Vizcaya.

Thank you very much for your continued support for the welfare of our children.

Respectfully yours,

Rowena M. Constantino, MD. FPPS President
