SUBJECT : **SCHOOL ASSET SURVEY IN PREPARATION FOR THE PHILIPPINE SECONDARY LEAVERS' ASSESSMENT (PHILSA) PILOT IMPLEMENTATION**

DATE : **October 13, 2026**

1. The **Philippine Secondary Leavers' Assessment (PhilSA)** is a new national assessment intended to measure the competencies of Grade 12 learners and provide information on their readiness for post-secondary education, employment, and technical-vocational pathways. Its results will inform the Department of Education (DepEd), the Commission on Higher Education (CHED), and the Technical Education and Skills Development Authority (TESDA) in strengthening policies, programs, and interventions for learners transitioning from senior high school.

2. As part of the preparations for the PhilSA **pilot implementation scheduled for February 2027**, DepEd through the Office of the Undersecretary for Learning Systems (OULS) and the Office of the Undersecretary for Information and Communications Technology Service (OUICTS), in coordination with the University of the Philippines (UP), are conducting a **School Asset Survey** to determine the availability and technical specifications of ICT equipment in the identified pilot schools. The results of the survey will inform the technical and logistical preparations for the computer-based administration of PhilSA.
