You don't often get email from upmathclub.exte@gmail.com. Learn why this is important

DEPED REGIONAL OFFICE 02
RECEIVED
DATE: 30 OCT 2026

Good day,

Warm greetings from UP Mathematics Club!

We are writing to formally inform your esteemed regional office of an important schedule adjustment for the **14th Annual Nationwide Search for the Little Math Wizard (LMW 14)**. Originally scheduled for November 21, 2026 at the University of the Philippines Diliman, the competition has been **moved to January 30, 2027.**

This decision is due to unexpected constraints on the availability of the finals stage venue at UP Diliman. Please be assured that we have exhausted all administrative and logistical means to resolve these issues and prevent postponement. However, to guarantee safety, accommodation, and a high standard of competition for the live raise-boards finals round, we have determined that **rescheduling to January 30, 2027** is the most responsible decision.

We apologize for any inconvenience this may have caused. We wish to reassure your good office that all other aspects of the competition remain unchanged.

In light of this adjustment, we would like to ask **the status of our request for advisory and if we must resend the request letter with an updated schedule for the event.**

For any questions or further clarifications, please let us know.
Thank you very much for your time and consideration.

Kind regards,

UP Math Club

Jaslyn Giel Wee

Warm Greetings!

We are the **University of the Philippines Mathematics Club (UP Mathematics Club)**, a non-stock, non-profit, student-run academic organization duly recognized by the University of the Philippines Diliman. Backed by over 105 years of academic excellence, the UP Mathematics Club remains steadfast in its mission to promote the advancement and appreciation of mathematics in its various fields.

In fulfillment of this mission, the UP Mathematics Club will hold the **14th Annual Nationwide Search for the Little Math Wizard (LMW 14)** on **November 21, 2026** at the **University of the Philippines Diliman.** This national event brings together **Grade 4 to Grade 6 learners from DepEd-recognized schools** and serves as a premier platform for promoting healthy competition, intellectual growth, and the celebration of mathematical talent among young Filipinos.

In light of our shared objectives and interests in promoting mathematics education, we kindly seek the **Department of Education - Region II - Cagayan Valley**'s support in this event, particularly through the issuance of an official **DepEd Advisory**.

Attached with this email is our formal letter of request that provides comprehensive details for your consideration. Also attached are copies of UP Mathematics Club's certificates of registration, LMW 14 event primer detailing the registration and event mechanics, LMW 14 detailed event description, and an unabridged version of the contest mechanics.

For any inquiries, you may reach us via email at upmathclub.exte@gmail.com or phone at 0915 654 9830.

We look forward to working together in our shared goal of promoting mathematics excellence among young learners in the Philippines.

Respectfully

UP Math Club
