DIVISION OF NUEVA VIZCAYA

You don't often get email from liknayan.physika@gmail.com. Learn why this is important

Dear Esteemed DepEd Administrators,

Greetings!

We respectfully write to request your esteemed office's assistance in **disseminating information (Advisory No. 220, s. 2026) about LIKNAYAN 2027** to the school heads, teachers, and students within your division.

LIKNAYAN 2027, themed "**SPARK: Igniting Curiosity in the World of Physics**," is a nationwide flagship physics event for junior and senior high school students, to be held on **January 16–17, 2027** at the **University of the Philippines Los Baños**. It aims to promote the field of physics, nurture scientific curiosity, and give young learners a meaningful, hands-on avenue to see the relevance of physics in everyday life and society.

In line with this, the **DepEd Central Office** has issued an **advisory (Advisory No. 220, s. 2026)** on LIKNAYAN 2027, which may be accessed here: https://www.deped.gov.ph/2026/11/06/november-6-2026-advisory-no-220-s-2026-liknayan-2027/

We would be grateful if your office could kindly extend its support by:

1. **Disseminating the DepEd Advisory** and the information on LIKNAYAN 2027 to the offices and schools under your jurisdiction; and
2. **Sharing the event details** through your official communication channels, for the information of interested schools, teachers, and students.

For your convenience, the event details, registration information, and other materials are available through the links below:

- **LIKNAYAN 2027 Information Packet**: https://drive.google.com/drive/folders/1Dq_JEdZVFSrpaUaNoo5vyGsFtvkdJWOM?usp=sharing
- **Official Facebook Page**: facebook.com/LIKNAYANPHYSIKA

The **pre-registration** runs from **October 5 to November 20, 2026**, and the **official registration period** runs from **November 21 to December 16, 2026**. Please note that this request is made solely for the purpose of information dissemination. Should you wish to issue a regional advisory or memorandum, we are happy to provide any additional documents or clarifications your office may require.

For questions or concerns, you may reach us through this email address or at **liknayanletters@gmail.com**.

Thank you very much for your time and support. We hope for your favorable response.

For Physics and Nation,

JOSHUA ARFER L. MONILLA
Event Head
